Lighting & Restoration Supplies

2022-2023

lampfix.co.uk

Lampfix

Your one-stop shop for decorative lighting, fixtures and fittings

We are an online decorative lighting supplier who have helped bring to light unusual components, perfect pendants, beautiful decorative light fittings and much more besides for over 40 years.

We supply lighting wholesalers, lighting shops, lighting manufacturers, lighting restorers, interior designers and anyone who needs a specialist distributor with a knack of finding the ideal solution.

Ordering

Orders can be placed on our website or by emailing a purchase order to sales@lampfix.co.uk. Merchant prices are available via the web portal to eligible trade customers.

Delivery

We deliver at lightning speed.

With the vast majority of our light and lamp supplies held in stock we offer next day delivery – and there's no charge on orders over £100 + VAT (or £50 + VAT online).

And we even pop some sweet treats in with every delivery we send out – we're nice like that!

Production & Repairs

Production

We offer 2 production services:

1. BESPOKE PENDANTS

You can order pendants to your preferred lengths and component combinations.

Visit our website to see our guide 'How to choose and create your ceiling pendant light'

You can email your request to sales@lampfix.co.uk or call us on 01462 731 173.

2. PRODUCT ASSEMBLY

We can assemble electrical or lighting products on your behalf.

The procedure is as follows:

1. Send your idea to us with any supporting photos. It may include the use of materials supplied by you.
2. We will respond with an estimate of costs, delivery and lead times.
3. You can then review the proposal and ask any questions. We can edit as required.
4. Confirm the order (If you are free-issuing components, send them to Lampfix.)
5. Make a deposit payment if needed.
6. Production takes place (batch deliveries if agreed in proposal)
7. Make the final payment and receive certification if necessary.

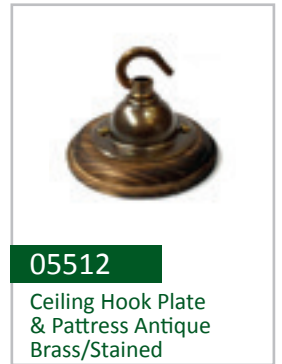

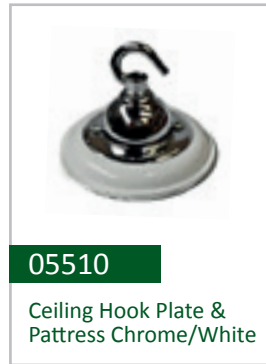

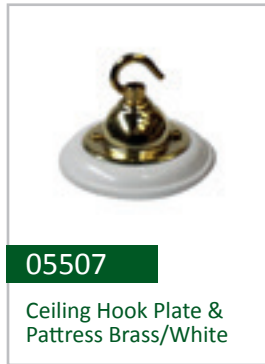

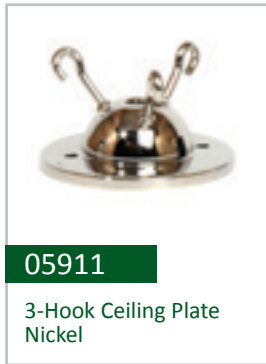

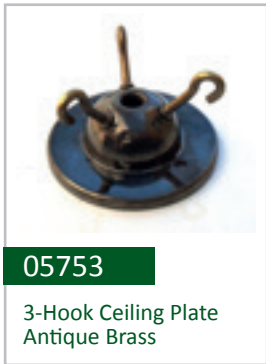

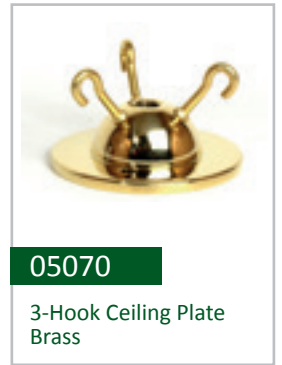

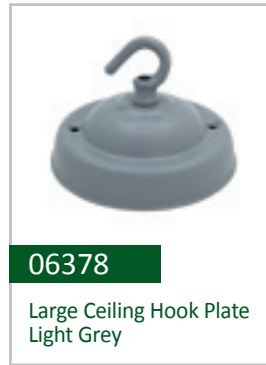

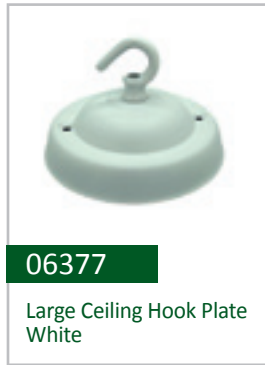

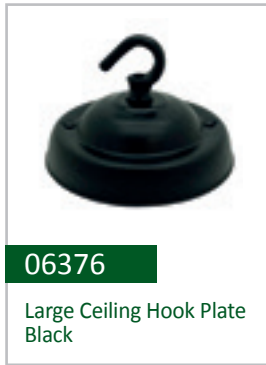

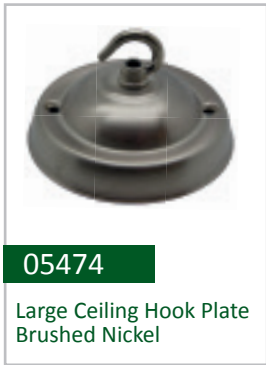

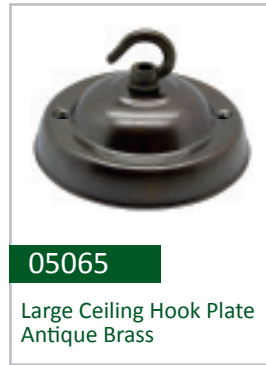

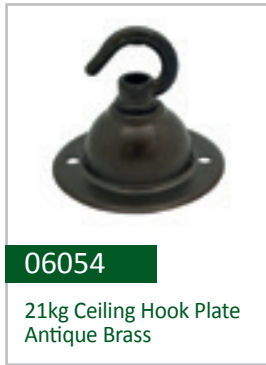

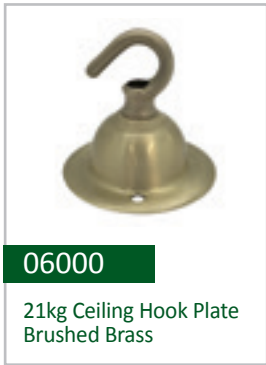

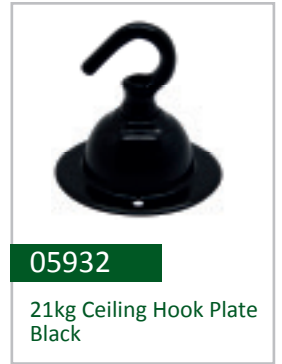

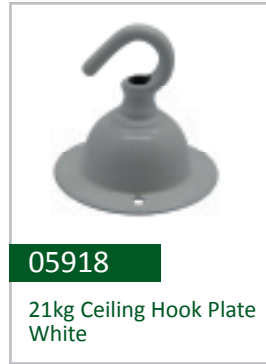

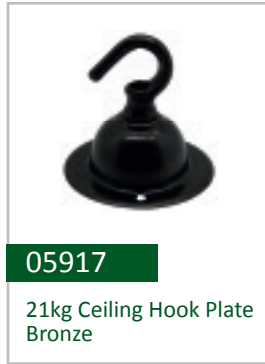

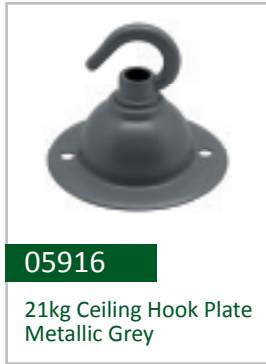

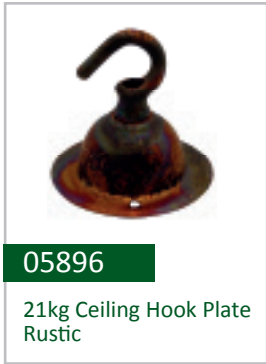

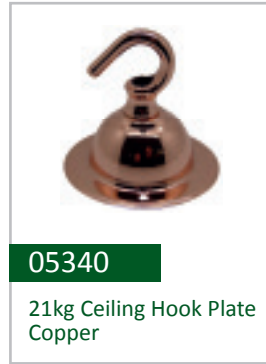

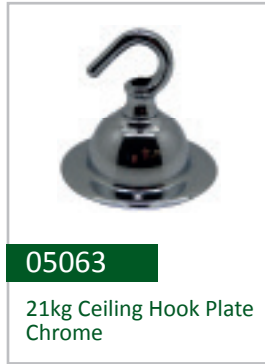

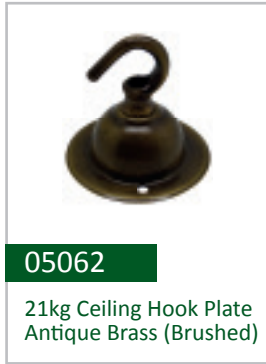

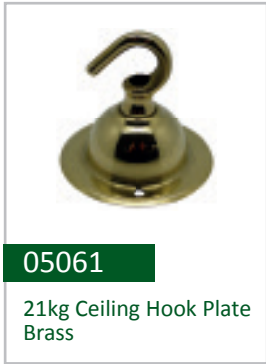

Repairs

We offer a lamp repair service.

The procedure is as follows:

1. Email a photo of the item(s) needing attention to sales@lampfix.co.uk
2. We will respond with advice / a cost estimate of parts and time needed.
3. You can then review our response and ask any questions.
4. With this information you can decide if you want the parts only or the full repair service.
5. Confirm the order and send item(s) to Lampfix.
6. We'll tell you when the work is ready to collect.
7. Arrange collection from Lampfix and make payment.

All restored fittings are PAT tested and Flash Tested. All items left with us must be covered by the customer's own insurance and at the customer's own risk.

These solid brass light fittings are very robust and are ideal for outside use. Especially suitable for mounting on period buildings. Made of solid brass, their casings are resistant to rough coastal weather.

All manufactured with ES porcelain lamp holders giving you a wide range of lamp choices. The pendant versions come complete with ceiling assembly, chain and flex.

Wall Light Antique Brass

These solid brass light fittings are very robust and are ideal for outside use. Especially suitable for mounting on period buildings. Made of solid brass, their casings are resistant to rough coastal weather.

All manufactured with ES porcelain lamp holders giving you a wide range of lamp choices. The pendant versions come complete with ceiling assembly, chain and flex.

Pull Switch 1 way

DID YOU KNOW
The front plate of the white ceiling switch 05040 will fix onto an original MK3191 ceiling pattress. This piece of information could save you hours of time and effort!

05045

Pull Switch 2 way - With Metal Cover Antique Brass (Brushed)

DID YOU KNOW
These metal ceiling switches are actually metal covered, not just painted plastic, so they can be used in bathrooms without fear of coatings flaking off.
