

TECHNICAL DATASHEET

Multi-conductor flexible cable insulated in PVC • 105 °C • cULus

Product range: SPT-1 | Lampfix part code: 01119

CABLE CONSTRUCTION

- 1. PVC SPT-1 insulation
 - 2. Tin-plated copper conductor
- cULus file no. E495477

Characteristics

Working voltage	300 V
Working temperature	105 °C

Product specification

Lampfix part code	Conductor size [AWG]	Conductor stranding [No. × mm]	Shape	Outer dimensions [mm]
01119	2 × 18	48 × 0.15	Flat	2.8 × 5.6 ± 0.2

Material and application

Applicable standards	UL 62 / UL 1581; CSA 22.2
Conductor	Tin-plated copper conductor
Insulation	PVC SPT-1 105 °C type insulation
Cable size	2 × 18 AWG
Application	Flexible cord

Drum traceability

Date of manufacture	_____
Original issue number	_____
Date of respool	_____
