

Datasheet – Lampfix Product 05743

ES Porcelain Decorative Battenholder

Material:	Porcelain
Fixing:	Face fix through holes provided
Width:	65mm
Height:	50mm
Colour:	Natural
Bulb:	E27 max. 60 watts

Construction

Our E27 battenholder fitting has been designed for applications where a replacement for the standard white plastic BC Battenholder is required. The body is made from a moulded, smooth ceramic finish to produce a durable and visually pleasing product. Cabling connection is achieved via base of the battenholder.

Applications

Retro Spaces, Hospitality
