Construction

The Metalbrite 85mm Ceiling Rose is constructed from high-quality steel, ensuring durability and long-lasting performance. It features a powder-coated black finish for added protection and a sleek, modern appearance. The rose is equipped with a grommeted entry, providing a secure and neat point of access for electrical cables. Additionally, the internal cordgrip ensures cables are firmly held in place during installation. With a diameter of 85mm and a depth of 20mm, it offers ample space for electrical connections while maintaining a compact, discreet profile.

Applications

The Metalbrite 85mm Ceiling Rose is specifically designed for light-duty pendant light installations. It is ideal for use with single pendant drops in residential and commercial spaces, where the lighting fixture is lightweight and not too heavy. Perfect for use in living rooms, bedrooms, kitchens, offices, and dining areas, as well as in hospitality settings such as restaurants and cafes. This ceiling rose provides a secure and aesthetically pleasing mounting solution for light-duty pendant lights, ensuring both functionality and style in various lighting applications.
