

# Parts and Assembly Sheet:

## Ceiling Rose

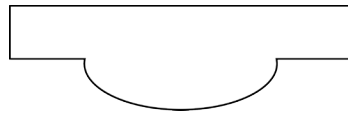

**NOTE:** Please review the **Parts List** and check that all parts listed are present before proceeding with assembly. A flat-head screwdriver and two screws are also required for assembly, but are not included in the parts provided.

### Parts List:

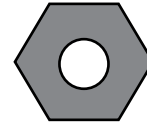

A.

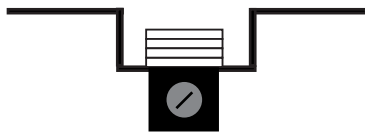

B.

C.

D.

### Assembly Instruction:

1. Fix **Bracket (D)** to ceiling.
2. Screw the **Cord Grip (A)** into the **Ceiling Cup (B)** using the **10mm Hexagonal Locking Nut (C)**.
3. Feed the wire from your light fitting through **A**, **B**, and **C**. Turn **A** clockwise to tighten the grip on the wire or counter clockwise to loosen the grip.
4. Use a small, flat-head screwdriver to turn the **Grub Screw (D)** clockwise to grip the wire.
