

## ES Battenholder Straight

Material:	Plastic
Fixing:	Face fix through holes provided
Width:	85mm
Height:	60mm
Colour:	White
Bulb:	E27 max. 60 watts

### Construction

Our E27 battenholder fitting has been designed for applications where a replacement for the standard white plastic BC Battenholder is required. The body is made from a moulded, smooth shiny finish PVC to produce a durable and visually pleasing product. Cabling connection is achieved via base of the battenholder.

### Applications

Small bedrooms, cupboards

### Colour Options

Black
