lampfix.co.uk

Lampfix

Your one-stop shop for decorative lighting, fixtures and fittings

We are an online decorative lighting supplier who have helped bring to light unusual components, perfect pendants, beautiful decorative light fittings and much more besides for over 40 years.

We supply lighting wholesalers, lighting shops, lighting manufacturers, lighting restorers, interior designers and anyone who needs a specialist distributor with a knack of finding the ideal solution.

Ordering

Orders can be placed on our website or by emailing a purchase order to sales@lampfix.co.uk. Merchant prices are available via the web portal to eligible trade customers.

Delivery

We deliver at lightning speed.

With the vast majority of our light and lamp supplies held in stock we offer next day delivery – and there's no charge on orders over £100 + VAT.

And we even pop some sweet treats in with every delivery we send out – we're nice like that!

Retail Packaging

Retail hang-up packaging is available on most of our stock lines where applicable. When ordering, ensure you insert 'P/P' against the codes of the items to which you wish this to apply.

These solid brass light fittings are very robust and are ideal for outside use. Especially suitable for mounting on period buildings. Made of solid brass, their casings are resistant to rough coastal weather.

All manufactured with ES porcelain lamp holders giving you a wide range of lamp choices. The pendant versions come complete with ceiling assembly, chain and flex.

DID YOU KNOW

These metal ceiling switches are actually metal covered, not just painted plastic, so they can be used in bathrooms without fear of coatings flaking off.

SECTION 3.2
SWITCHES & CORDWEIGHTS

DID YOU KNOW

If you ever get the situation of a thread stripped out in a metal box, you can use an extension stud held with an M3.5 nut in place and you now have a new thread. Much quicker than having to remove the old metal box and tidy up the decoration once you've fitted the new one.
